Dear Parent

APPLICATION FOR A PLACE ON THE SCHOOL BUS

I am delighted to be writing with details of our school bus provision which will take effect from 1st September 2009. Our existing service continues to be reviewed so that we can provide greater flexibility and improved reliability and I am grateful for the feedback received from existing parents.

For the 2009/10 academic year we are making a number of changes to the service. The major change is the introduction of an additional bus route (H) which will serve Pease Pottage, Handcross and Warninglid. Pupils who currently use Route G from Hurstpierpoint will use this new service from September.

In addition, the Uckfield route (E) has been extended to Crowborough, and the Billingshurst route (A) will be shortened, with Henfield now being serviced by Route G (the Horsham bus). Full details of the routes, prices and tickets available are enclosed. Additionally we have limited availability on the Metro Line 7 bus to and from the station; tickets cost £7.50 per week.

If you would like a place on the bus for your son(s) and/or daughter(s), please complete and return the enclosed application form as soon as possible. **Parents whose children already use school transport must complete and return an application form if they wish to retain their seat on a bus.**

We welcome suggestions for additional stops and changes to the routes as this allows us to constantly improve the service that we provide. Unfortunately it is not always possible to accommodate all suggestions immediately but this information will form the basis for future changes.

If you have any queries or suggestions, please contact Kim Malins on 01273 704262 or e mail kmalins@brightoncollege.net in the first instance.

Yours sincerely
