

# CHICHESTER

## **Charity representatives: Isabel Boardman and Helena Jones**

This year Chichester's charity is the Sam Griffiths' Foundation. The charity aims to help encourage and nurture the enthusiasm of young people who want to make a difference to other young people who are less fortunate than themselves. The Foundation will provide funds to identify and execute projects which will make life better for people not just in the UK but impoverished countries such as in Africa. In its own words it represents "Helping the Young help the Young".
